APPENDIX C

LIST OF RELEVANT INTERNATIONAL TREATIES

Prepared by Bahia Tahzib-Lie

The list below gives the titles of all relevant global and regional treaties as well as the references to the provisions governing freedom of religion or belief. The treaties are presented in chronological order of their adoption. Note that the focus on treaties results in exclusion of a number of key documents dealing with freedom of religion or belief, either because they are "declarations" or because they are "politically binding" rather than "legally binding," as in the case of OSCE commitments. Key documents and provisions in these categories are included in other appendices.
