The philosophy of Khatm e Nabuwat is that every prophet of God came with either separate holy books or followed the teachings of preceding prophets. This tradition finally came to an end at the Holy Prophet, Hudhrat Muhammad (Peace Be Upon HIM). Holy Prophet (PBUH) was blessed with the complete and everlasting book and sharia. Hudhrat Muhammad (PBUH) is the last prophet. Religion was completed with the emergence of Holy prophet (PBUH). His (PBUH) has cancelled all other shrias. No other prophet will emerge after Him (PBUH) because:

1- God has sent Holy Prophet (PBUH) as the prophet for entire universe. His (PBUH) shria is enough for the people of every age.
2- God has completed the religion with the emergence of Holy Prophet (PBUH). His (PBUH) teachings and instructions are comprehensive. That is why there is no need for any other Prophet.
3- God has promised to protect the Holy Quran that was revealed on Holy Prophet (PBUH). Book of God has been safe with the great honor since 1400 years. No one could make any change in it. Not only is it safe in a written format but also in the memory of many people. All teachings of Holy Prophet (PBUH) are safe in its original form and act as a source of information for entire universe. Now, it is important for everyone to believe in Holy Prophet (PBUH) and also follow His (PBUH) teachings.

Faith of Khatm e Nabuwat has been proved from Quran, Hadees and conflux of Muslims.

ALLAH Almighty says:

Translation: Muhammad (PBUH) is not the father of any of your men, but He (PBUH) is the Messenger of ALLAH and the seal of the Prophets. (Surat Al Ahzab verse 40)

In Arabic, Khatam means to stamp, to close, to help it reaching at end and to complete one task. All commentators have described the meaning of Khatam as the last Prophet. Huldhrat Muhammad (PBUH) said “Prophets led the people of Israel. Once prophet died, other prophet became his successor. But, no one will come after me (PBUH).” Huldhrat Muhammad (PBUH) also stated “Example of the difference between me (PBUH) and all other prophets is similar to the example of a person who constructs beautiful building but leaves a space of one brick empty at a corner and that brick is me (PBUH).

All companions of Holy Prophet (PBUH) unanimously agreed that none of the prophets can come after Holy Prophet (PBUH). That is why, during the tenure of Hudhrat Abu Bakar Siddique, companions of Holy Prophet (PBUH) did Jihad against every claimer of prophecy.
