Hateful pamphlet promoting boycott of Ahmadiyya products

(Translation on next page)
Can we not do even this for the love of the Prophet?

In addition to committing blasphemy, Mirzais (Ahmadis) believe Mirza Ghulam Qadiani to be the last prophet instead of the Holy Prophet (PBUH). Shezan company owned by Mirzais is in the forefront in strengthening financially the evil of Qadianiat. That is why every Muslim who deals with Shezan and other companies of Qadianis is:

- Playing his part in rebellion against Islam and the Holy Prophet (PBUH).
- Responsible for breaking Muslims’ link with the dear Holy Master (PBUH).
- Compromising his devotion to the Holy Prophet (PBUH).
- Is filling his own and his family’s tummies with hell fire.

O Muslim, consider!

- What will be your end like if you die soon after drinking Shezan?
- How will you seek intercession of the Holy Prophet (PBUH) on Doomsday?
- How will you ask for the Holy Drink from the Saqi (PBUH) at the Holy Fountain?

O Muslim! your dealing with Qadianis may cut off your relationship with the Holy Master (PBUH) of the Green Tomb.

A few famous Qadiani companies:
